MY CUSTOMER

LINDA KING

Amazing!! I gave up my Amazon account because it was suspended for 2 months and waited for the disbursement from Amazon. But, Amazoker team brought my account back with the amount of \$3.000. Thank you so much. Good luck!

DESTANY FRIESEN

Last week, my ASIN was notified of Counterfeit in Account Health. Actually, I sent to Amazon all documents as requested but my listing was still died. I don't know why Amazoker could sort out this issue within 5 days but SO GREAT!!

BERNHARD STEINER

My account was deactivated 2 months ago due to Related with another one I don't know. I tried to reinstate it but no hope. Luckily, I found Amazoker on facebook and decided to use their service. Unbelievable, they reactivated my account after only 7 days.
